Murgitroyd Group PLC
Retention of major client, client win and qualified Attorneys

The Board of Murgitroyd Group PLC ("Murgitroyd") announces that after a formal tender process, it has been reappointed by Queen's University Belfast ("Queen's") to manage its entire Intellectual Property portfolio. Queen's is one of Murgitroyd's top ten clients by sales value.

Murgitroyd has also been formally appointed as Patent and Trade Mark attorneys to Pursuit Dynamics plc, an AIM traded company developing revolutionary, steam-based fluids handling technology.

Ian Murgitroyd, Chairman of Murgitroyd, said: "Queen's is a highly valued client and we are delighted that our long-standing relationship will continue for another four years. In addition, the appointment as Attorneys to Pursuit Dynamics provides an opportunity for us to work with an exciting young company."

Murgitroyd also announces that four of its professional staff have successfully passed the professional examinations to become European Patent Attorneys.

Ian Murgitroyd added: "We are delighted with the successful qualification of our Attorneys, reflecting our continued commitment to the group's structured professional training programme."
